

Life Never Stops. Neither Should HR.

Whether you're at work and need to stay connected or you're at home and need to access TriNet-sponsored benefits or payroll information—some things can't afford to wait until you get back to your work computer. With the redesigned TriNet Mobile app, your employees now have the freedom and flexibility to manage their HR from the palm of their hands. Administrators with assigned permissions also have the convenience to access their employee HR information on the go.

Welcome to TriNet Mobile

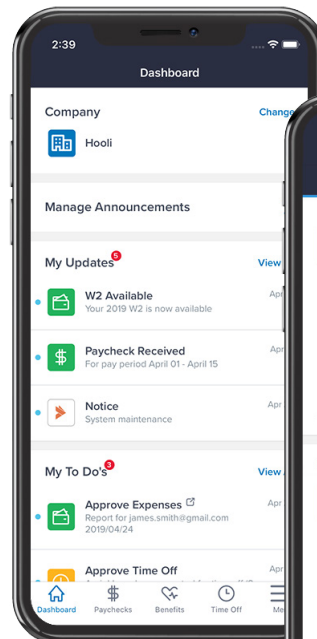

A snapshot of your company HR is just a login away. Stay current with notifications, to-do items and upcoming company holidays by scrolling through the home screen. View the newsfeed for recent and past company announcements.

View the information you need to know about your money

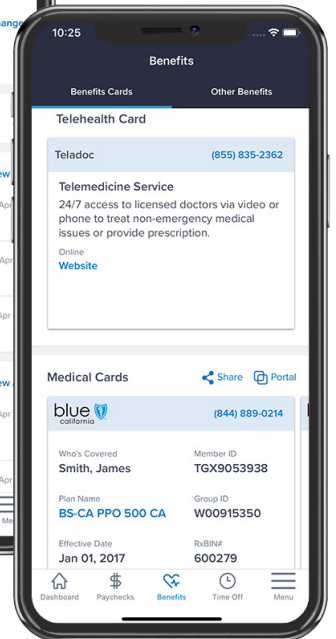

View a summary of your most recent paycheck with a detailed breakdown of earnings, tax withholdings and TriNet-sponsored benefits. Review your pay history, compare previous paychecks and access Forms W-2 and view tax withholding information. Stay up to date on expenses by checking on approvals for submitted expense reports and viewing a report of your past expenses.

Access to benefits information that's actually intuitive

Access identification cards from certain medical insurance providers for yourself and covered family members. View your TriNet-sponsored benefits elections, including medical, life, disability and flexible spending account details, and access tele-medicine services.

View your updates and to-do items

Access your TriNet-sponsored benefit cards

Time off that's just around the corner

You're just a few clicks away from time off. View your available leave balance and accrual history, if applicable. Request and schedule time off with an optional note for manager review. Managers can approve time off just as easily.

All with a seamless and personalized login

Easily log into the app using Face ID or fingerprint from your iOS® or Android™ device.

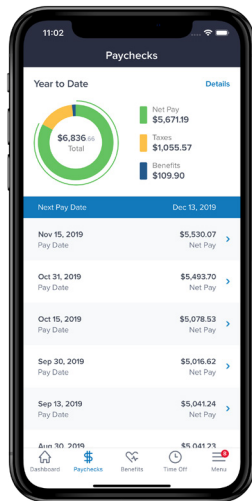

Find and save on deals right from your phone

Access popular deals from the TriNet Marketplace. Claim offers on technology products, mobile device services, at-home workouts, and more.

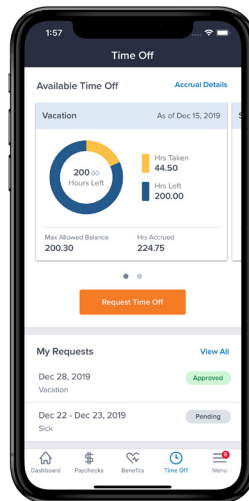

Convenient view of your employee HR information

Admin capabilities allow managers and administrators with assigned permissions to quickly view their employee HR information, including profiles, work details, and compensation, any time, from anywhere.

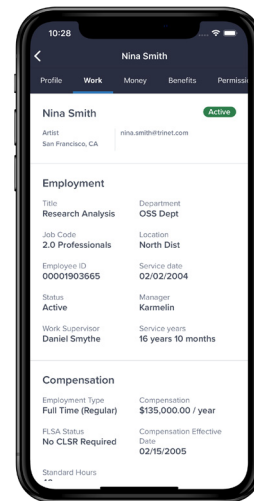

View your paycheck details

Manage your time off

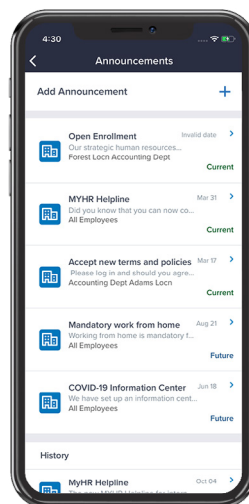

View your employee HR information as an admin

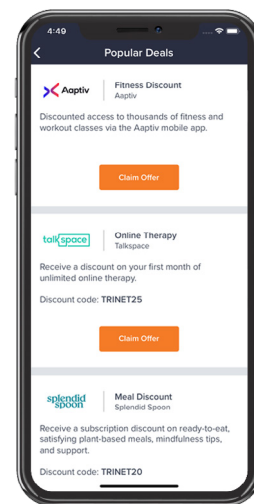

Manage your flexible spending
