

Visit with a doctor 24/7 — whenever, wherever

With 24/7 Virtual Visits, you can connect to a doctor by phone or video¹ through **myuhc.com**[®] or the UnitedHealthcare[®] app.

A convenient and faster way to get care

Doctors can treat a wide range of health conditions—including many of the same conditions as an emergency room (ER) or urgent care—and may even prescribe medications,² if needed. **With a UnitedHealthcare plan, your cost for a 24/7 Virtual Visit is usually \$5 or \$50 under the HDHP plans.³**

Consider 24/7 Virtual Visits for these common conditions:

- Allergies
- Flu
- Sore throats
- Bronchitis
- Headaches/migraines
- Stomachaches
- Eye infections
- Rashes
- and more

An estimated 25% of ER visits could be treated with a 24/7 Virtual Visit — bringing a potential \$2,000⁴ cost down to \$5.
